

Here Is My Life

By Mindy Caron | June 13, 2006

Lord, look upon me
You see who I am
I'm asking of You
Reveal any sin

The wall of my pride
The wall of my fears
Have held me in chains
And Bring only tears

Lord, break down the walls
That hold me down
I want nothing more
Then to know that I've found

The pleasure of you
In all that I do
Lord, here is my life
I give it to You

They say I am foolish
For living your ways
But they have forgotten
Lord, You've numbered our days

And nothing compares
To the promise of You
To take what I am
Lord, and make someone new!
